

# Oak Lodge History Detectives Presents

## Oregon Donation Land Claims Mapping a Great Western Wilderness Lee Spurgeon, Guest Speaker

Why the geopolitical climate spurred the United States Congress to create Donation Land Claims

What was a DLC?

How the early land surveys were done

Where they were recorded

Join us on October 13, 2014 for a great presentation you won't want to miss.

Lee Spurgeon is a licensed professorial surveyor and comes from family of professional surveyors. Spurgeon loves historic research and located his company in downtown Oregon City in a building whose history stretches back to the 19th century.
