

The **Oak Lodge History Detectives** began in March 2009 with a small gathering of local citizens interested in our area's history (the name is an amalgam of Oak Grove and Jennings Lodge).

Our mission is "Investigating the past, enriching the future" and our goal is to promote the appreciation of local history. We compile and share the history of Oak Grove, Jennings Lodge and the adjacent Concord and Oatfield Ridge neighborhoods. Our focus spans the area between Milwaukie and Gladstone, and from the Willamette River east to Kellogg Creek. We actively support the preservation of historic places and structures. OLHD houses its collection digitally and welcomes donations of Oak Lodge history and its families to be added.
